Fax: 800.746.4434

Root Cause / Accident Investigation Basics

9:00 – 10:00 a.m.

This program will help in determining the true cause of an incident, as well as what corrective actions are meaningful and appropriate to the situation.

In addition, the program will serve as a tool to facilitate better follow-up and implementation of corrective actions in an effort to prevent future incidents.

2017 OSHA Recordkeeping

10:30 – 11:30 a.m.

Are you familiar with what constitutes a “recordable” incident? Attend this session to learn how to complete the required forms and know when it is necessary to report incidents to OSHA. The new electronic reporting requirements will also be discussed.

Presenter: Pat Hagge, CSP, Vice President of Risk Management
